EXPERIENCE

Nenademy - Educational

https://github.com/nenadnikoloski5/Nenademy_Educational

- Nenademy is an educational website I created for students. It makes it easy for the user to do math exercises and learn programming concepts in one place with different levels of difficulty.
- Compare your progress to others with a global leaderboard created using D3.JS library.
- The math exercises are all randomly generated.
- Written in: HTML, CSS, Javascript, PHP(Laravel), MySQL, D3.JS

Nenfeed - Social Media

<https://github.com/nenadnikoloski5/Nenfeed-Social-Media>

- Nenfeed is a social media website that allows you to interact with current friends and make new ones.
- Allows you to make posts, replies, likes, personal messages.
- Has features such as: infinite scrolling, image cropping, real time search bar
- Written in: HTML, CSS, Javascript, jQuery, OOP PHP, MySQL

Netify - Music

<https://github.com/nenadnikoloski5/Netify-Music>

- Netify is a music streaming website that let's the user listen to songs from different artists
- Users can browse by artist, album and can create, edit playlists.
- Has a custom audio player built from scratch with options such as: fast forward, next song, shuffle, loop, audio levels and similar
- Written in: HTML, CSS, Javascript, jQuery, OOP PHP, MySQL

NenaDial - Speed Dial

https://github.com/nenadnikoloski5/NenaDial-Speed_Dial

- NenaDial is a browser based speed dial that let's you make bookmarks of your favorite websites for easy access.
- Smart enough to change the URL into a working one if the entered URL isn't in the right format.
- Bookmarks persist because of backend functionality.
- Written in: HTML, CSS, Javascript, Vue, PHP(Laravel), MySQL

WORK EXPERIENCE

Freelance Virtual Assistant

MailCharts • 2017-2017

- Worked alongside 10 team members from different regions to research compatible companies with the goal of showing the information to customer companies who use it for their own marketing campaigns.
- Served clients such as: Head of Fan Engagement at the NBA, Engagement Marketing Manager at Airbnb and similar

Freelance Virtual Assistant

Israel Casino • 2016-2017

- Was part of the sales team of the company. Searched for potential business leads and did negotiations with them with the goal of selling ad space.

Freelance Virtual Assistant

Steve M. • 2016-2017

- Was the right-hand man to the CEO and worked directly with him on the main services of the business.
- Combined researched information into easy-to-read articles for users of the service.
